

List of Durable Medical Equipment Devices at the club house as of 2/26/23

- 1 MedLine walker, new, with 4 large wheels, a padded seat and nylon-zippered bags for carrying items (photo below)
- 1 barely used aluminum walker, with 2 smaller wheels
- 1 new device to assist in putting on socks
- 1 new cervical collar
- 1 slightly used neoprene stabilizing knee brace with hinges, light-weight
- 1 new Neenca brand knee brace, sports series
- 1 new Futuro brand knee support sleeve, large
- 3 other knee braces, used but all in good shape
- 2 canes

These devices are donated by and for the exclusive use of Carriage Hill residents. The Carriage Hill Condominium Association makes no representations as to the condition of any device and their use is at the sole risk of the user. The Association is not responsible for any damage, loss or injury suffered while using these devices.
